"No University in the world has ever risen to greatness without a correspondingly great library." — Lawrence Clark Powell

The library is rightly regarded as the soul of any academic institution, and in the field of legal education, it stands as the heart and soul of a law college. Education and library go hand in hand — one cannot be imagined without the other. As a focal point for teaching, learning, and research, the library is committed to providing standard and updated legal information resources to its student community.

The Library of S.S. Patil Law College, Dapodi, Pune is located on the 3rd floor of the college building, spread across an area of 1250 sq. ft., with a seating capacity of 95 students. The library provides access to a rich collection of primary and secondary legal resources, including access to premier legal databases **SCC Online** and **Manupatra**, supporting students and faculty in academic research and case-law study. The library is continuously being strengthened through the acquisition of latest textbooks, journals, and electronic resources to meet the evolving needs of legal education.
